Affirmative Portfolios - 2011 JunctionAwards Nominee

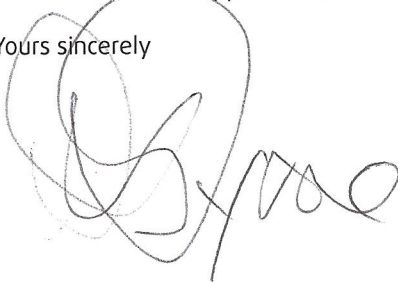

Dear Erna

It's with great pleasure that we confirm that Affirmative Portfolios was a finalist in Medium Agency category at the 2011 JunctionAwards. This places Affirmative Portfolios in the top 10 agencies in this category which is an accolade to be proud of.

We celebrated our 8th annual JunctionAwards ceremony on 14 September 2011 at The Venue in Melrose Arch, Gauteng. This prestigious event recognised service excellence in the South African recruitment industry, as voted for by CareerSeekers that use CareerJunction - the only awards ceremony of its kind in South Africa.

We're already planning the 2012's JunctionAwards so good luck for next year. Keep on doing the great work that CareerSeekers appreciate and we at CareerJunction recognise.

Yours sincerely

Paul Byrne
